What is National School Counseling Week?

Since the 1980s, the American School Counselor Association has promoted the work of school counselors in order to highlight their essential contribution within U.S. school systems and the tremendous impact they have in helping students achieve school success and plan for a career.

What do School Counselors Do?

School counselors help all students:

- Apply academic achievement strategies
- Manage emotions and apply interpersonal skills
- Plan for postsecondary options (higher education, military, work force)

2023 Theme: Helping Students Dream Big

A vibrant yellow graphic with various abstract shapes and patterns. It features the text 'NATIONAL SCHOOL COUNSELING' in large, bold letters, with 'NATIONAL' in white on an orange background, 'SCHOOL' in yellow on a blue background, and 'COUNSELING' in yellow on a blue background. To the right, it says 'School Counselors: Helping Students Dream Big' in blue and black text. At the bottom, it reads 'FEB. 6-10, 2023' and 'WEEK' in white on an orange background. The background is decorated with black and blue circles, a yellow dotted circle, a blue diamond, a blue hand shape, and various wavy lines.
