CA Arts Education

Framework

An education in the arts (dance, media arts, music, theatre, and visual arts) **develops engaged, creative, expressive, responsive, and artistically literate citizens** .

Achieving literacy in the **arts** is joyful, inspirational, and **creates a lifelong appreciation of the arts** ; it also **prepares students** for the **twenty** -first century **workforce** and plays a critical role in developing **well** -rounded citizens.

Art and creativity have an important role in mental health, wellness, and social-emotional well-being.

The Arts for
Social -Emotional Well -Being

Research shows that **students** who **participate in the arts** over extended periods of time **show** more **sophisticated social and cooperative skills, reduced anxiety and shyness, and reduced aggressive behavior.**

Students who **participate in the arts** are better able to **control their emotions and express themselves in more productive ways.**
