ASIAN AMERICAN ETHNIC GROUPS

Ethnicity and national origin of the Asian American population, 2012

Asian American and Pacific Islanders (AAPIs) are the fastest growing minority in the United States. Between 2010 and 2019, the AAPI population grew by 25.5 percent. About one-fifth of all U.S. population growth is attributable to Asian and Pacific Islanders.

Chinese Americans were the largest AAPI group in the United States, numbering almost 4.2 million, and making up 22.2 percent of the total AAPI population. Among AAPI immigrants, the most common country of birth was India, with almost 2.6 million Indian-born Americans.
