San Ramon Valley Unified School District

699 Old Orchard Drive, Danville, California, 94526

DATE: July 14, 2020

TOPIC: 2020-21 School "Reopening Together" Plan

DISCUSSION: Today's discussion and action builds on the Board's prior discussion and direction from the June 23, 2020 board meeting.

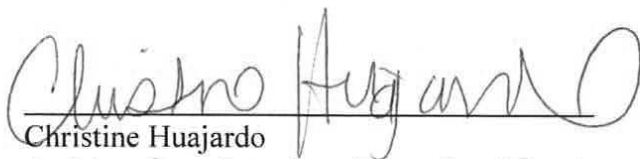

Districts around the State and Nation continue to plan for the reopening of schools. San Ramon Valley Unified students, staff and parent communities have participated in numerous focus groups and planning sessions. During the planning process the district has carefully considered the health and safety of our students and staff members. This morning we will present a series of options for the reopening of schools for the Board to consider.

Pending board direction this morning, the 2020-21 School Reopening Plan will continue to be a fluid process as directives from the State and County Health Officer are constantly changing.

Staff anticipates the Board will provide continuing direction at a future meeting if necessary.

RECOMMENDATION: Approve the 2020-21 School "Reopening Together" Plan.

BUDGET IMPLICATIONS: The district will continue to invest as necessary to maintain the safety of students and staff.
