

Digital Citizenship Week

October 19-23, 2020

Our Commitment

SRVUSD is committed to ensuring that students graduate prepared for a 21st century global marketplace. Today's students must navigate the digital world as a **digital citizen**.

Digital Citizenship & SEL

Media Balance & Well-being

How do we find a happy balance between our online & offline activities?

Safety & Responsibility

How can we be safe, responsible, and respectful online?

Digital Drama & Hate Speech

How can we act with empathy & positivity when we're online?

Activities

#Device Free Dinner

Family Device- Free Rules

Think about what you learned today. What rules could you share with your family so that you could have device-free moments?

Make a list: Add more numbers if you have more than 3, but have no more than 6.

1. At dinner put phones down so you can talk to each other
2. Put down their phones so they will listen to me
3. No ipads in bed so I can sleep

Build a positive image & brand yourself positively

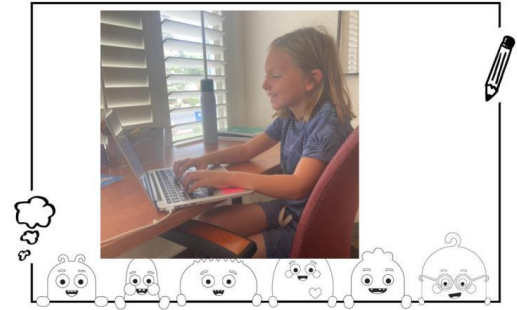

Pause & Think

Pause & Think Moment

DATE _____

Draw a picture to show how you will be a good digital citizen.

Explain what you will do to be a good digital citizen.

To not share my password with other people, to also only talk with my friends and family not strangers, to not be on the screen too much if it is a beautiful day, and to be kind if you are talking to somebody.

Resources

In this **remote learning environment**, now more than ever it is critical to develop students' digital citizenship skills, especially in relationship to their SEL needs.

Resources for teachers at every grade level to be implemented during Digital Citizenship week and sustained throughout the year.
