

Summer School 2021

Board Presentation December 15, 2020

History of SRVUSD Summer School

- Offerings at all levels: Elementary, Middle, High
- Advancement and Remediation - past several summers
- Extended School Year (ESY) for students that require this service per their IEPs
- Enrichment activities intended to promote learning outside of a traditional classroom setting

Recommendation for Summer School 2021

- Offerings at all levels: Elementary, Middle, High
- Extended School Year (ESY) for students that require this service per their IEPs
- English Language Learner classes
- Intervention classes in Math and English Language Arts (elementary)
**teacher referral, based on assessment data*
- Remediation classes for academic and/or high school graduation requirements (middle & high)
**priority given to students who have earned an F*
**grades of D will be accommodated as space allows*

Middle School Math Bridge 2021 (Advancement)

- Acceleration/Advancement opportunities in middle school:
 - Course 1 Math -> Course 3 Math
 - Course 2 Math -> Algebra 1
- Similar to the summer 2020 implementation, SRVUSD will ask for donations to support this program
- Courses offered virtually, through the Edgenuity online learning platform

Summer School 2021

Estimated Financial Cost

\$350,000+ for Virtual Program

Approx. \$600,000 + for In-person Program
